**Hymn**

Spirit of the living God, fall afresh on me *repeat*  
Melt me, mold me, fill me, use me.  
Spirit of the living God, fall afresh on me.

Spirit of the living God, help me let it go  
Let all go dear, so comes love dear.

Spirit of the living God, help me let it go. *repeat*

[interlude]

Spirit of the living God, spring afresh in you *repeat*  
Melt you, mold you, fill you, use you.

Gonna rise up,

burning black holes in dark memories

Gonna rise up,

turning mistakes into gold

Gonna rise up,

and find my direction magnetically

Gonna rise up,

and throw down my ace in the hole

Gonna rise up,

and stand in the light that I cannot see.

Gonna rise up,

and live all the stories I know.

Gonna rise up,

and fly from the tomb that's  
been holding me

Gonna rise up,

and sing myself a new home.
